

**SHARON SELECTBOARD
EMERGENCY MEETING
MINUTES
Tuesday, July 11, 2017**

Board Members Present: Mary Gavin, Kevin Gish

Board Members Absent: Luke Pettengill

Staff Attending: Road Foreman, Tim Higgins

Public Present: Quentin Lewton

The Chair convened the meeting at 7:00AM.

Clifford Farm Road: Site Inspection re: July 1st storm damage

Selectmen and Road Foreman inspected the status of (Class 4) road repairs to the bottom of Clifford Farm Road. It was noted that some of the tailings placed as emergency base repairs by the Town crew had been torn up and pushed aside. Additional gravel and material, paid for by residents, has been put down on the damaged section.

Selectmen viewed culvert locations. The culvert at the bottom of the road appears to be on private land. Landowners along the road have faulted this culvert as being substandard and the cause of wash outs at this location.

It was agreed the Town will send a letter to Mr. David Hall, of New Vista, requesting that a) the culvert be removed and replaced with a culvert that meets standards, b) remove the culvert and not replace.

Adjournment:

Motion by Mary Gavin to adjourn at 7:25AM. Kevin Gish seconded. The motion carried.

Submitted by,
Mary Gavin, Selectboard Chair
