## TOWN OF SHARON

### Invitation to Bid

#### **Bids Due Thursday, January 27, 2022 by 1pm**

The Town of Sharon is seeking bids for a new 6-wheel dump truck cab and chassis with new dump body and wing plow set up (will use our own front plow on this vehicle). Specifications can be found below. In addition, we ask for your bid on the trade-in value of our 2017 Freightliner 108SD AWD dump truck with scraper blade and wing plow (not front plow – which we are keeping), which is kept at the Town Garage located at 17 Academy Drive (former 911 address was 6754 VT Rt 14), Sharon, VT.

To make an appointment to view the 2017 Freightliner 108SD dump truck or ask questions about the vehicle to be purchased, contact Frank Rogers, Road Crew Foreman, by phone M-F 6am-2:30pm at 802-763-7194 (leave a message) or by email [roadcrew@sharonvt.net](mailto:roadcrew@sharonvt.net).

**Instructions to Bidders:** Companies interested in bidding must submit a bid on the attached bid form, which must be filled out completely. If a change is made on the bid form, the contractor submitting the bid must initial and date the change.

**Bid Due Date:** EMAIL submissions are due at the Town Offices **by 1:00pm on January 27, 2022**. Bidders' email should contain a subject label of **6-Wheel Dump Truck, Body & Wing Plow Package Bid** and be sent to Deb Jones, Finance Manager, at [financemgr@sharonvt.net](mailto:financemgr@sharonvt.net). The Town offices are currently closed to the public except by appointment, so timely deliveries of bids by FedEx and UPS are not guaranteed. Bids may be mailed to Town of Sharon, PO Box 250, Sharon, VT 05065, but would need to be received by the due date and time. Emails submittals will be acknowledged as received by Deb Jones to the email on the bid form.

**Acceptance/Rejection of Bids:** The Selectboard reserves the right to reject any and all bids if it deems it is in the public interest to do so.

**Award of Bid:** An awarding of contract, if one is made, is expected to be made at a Selectboard meeting starting at 6:30 pm on January 31, 2022. However, bids must be valid for 30 days after bid opening. If that review date is changed, Deb Jones will notify bidders by email.

**Inquiries:** Bidders are required to contact Town of Sharon's Road Foreman, Frank Rogers, with any questions regarding the specifications for this purchase or ask about or view the trade-in vehicle. He can be reached at the Town Garage at [roadcrew@sharonvt.net](mailto:roadcrew@sharonvt.net) or 802-763-7194. Leave a message and return phone # if he is out.
