On August 1<sup>st</sup>, 2022, the Town of Sharon Selectboard initiated proceedings pursuant to 19 VSA Sec. 708(a) to reclassify a 0.36-mile untraveled portion of Town Highway 22, locally known as Chapel Hill Road.

**The site visit will be held on Wednesday, September 7<sup>th</sup>, 2022 at 5:30PM.**

**The Public Hearing will be held on September 19<sup>th</sup> at 6:00PM via Zoom.**

The 0.36-mile section of TH22 under review begins 0.76 miles from the Norwich town line and terminates at the convergence of LT2, TH21 and the Untraveled Class IV portion of TH22.

This 0.36-mile section of TH22 is currently classified by the VT AOT as “Legally Class III Functioning as a Class IV” Road. The Selectboard is considering reclassifying this 0.36-mile section as a “Legal Class IV Road”.

The Selectboard must find that “the public good, necessity, and convenience of the inhabitants of the town requires the highway to be reclassified or discontinued...” (19 VSA Sec. 710). Public comments are welcomed and encouraged.
